Is this fucked up?

Instructions: Imagine you are on a date with a new person. During dinner, they say the following statements. Choose whether you think these statements are fucked up, or understandable. Once you have made your choices, find a classmate and compare your answers and discuss your reasons.

Situation	fucked up	understandable
"I have over 200 pairs of designer shoes that I never wear. They are all on display."		
"Most of the time I just leave the dirty dishes in the sink overnight."		
"I've never been on a plane before. I'm happy right where I am."		
"No, I don't want kids. I couldn't imagine bringing them into this fucked up world."		
"Yeah, I've been paying off my student loans for over 10 years now and it will probably take me another 10 years before I'm debt-free."
